Here are updated instructions for the FOIA process. The expedient way for you to request copies of previously requested FOIA redacted copies of documents (invoices, manifests, etc.) that EPA has obtained from CES Environmental Services, Inc. is via the following FOIA online web site:

<https://foiaonline.regulations.gov/foia/action/public/search>

April 30, 2015, is the EPA's target date for copies of these previously requested FOIA redacted documents to be viewable at the above URL. **After April 30, 2015**, when you go to this site:

1. Click on tab titled Search FOIA Requests.
2. In the Search Criteria box:
 - A. Search for - "EPA-R6-2015-005289"
 - B. Type – Leave all four boxes checked
 - C. Agency – Select U.S. Environmental Protection Agency
3. Click the search tab.

If you have any other questions please call me.

Thanks,

Amy Salinas

Ms. Salinas,

It was a pleasure speaking with you today. As you know, I represent Praxair, Inc., with respect to the CES Environmental Services, Inc.-Houston Superfund Site. As we discussed, I write to request the following:

- a link to the CES business-records collection that EPA will eventually make available
- a PRP contact list, should you compile one

Thank you again for your help, and I look forward to working with you.

Regards,

Ed Grauman
